Education

- 2023 – Current **PhD in Mathematics**, *Scuola Normale Superiore di Pisa*
Advisor: Michele D’Adderio
- 2018 – 2024 **Corso Ordinario – Faculty of Sciences (Mathematics)**, *Scuola Normale Superiore di Pisa*, 100/100 cum Laude
- 2021 – 2023 **Master’s degree in Mathematics**, *Università di Pisa*, 110/110 cum Laude
Advisor: Michele D’Adderio
Thesis title: *A generalisation of the Shuffle Theorem*
- 2018 – 2021 **Bachelor’s degree in Mathematics**, *Università di Pisa*, 110/110 cum Laude
Advisor: Giovanni Gaiffi
Thesis title: *Littlewood–Richardson rule*
- 2021 – 2023 **Erasmus**, *Université Paris-Saclay*

Publications and preprints

- 09/2026 **The Theta Conjecture** (with Alessandro Iraci), preprint ([arXiv:2609.17744](https://arxiv.org/abs/2609.17744))
- 08/2026 **Leaving the Hall: explicit formulas for Negut operators** (with Michele D’Adderio, Alessandro Iraci and Roberto Pagaria), preprint ([arXiv:2608.14836](https://arxiv.org/abs/2608.14836))
- 01/2026 **Generalizing Eulerian Numbers via Semipermutations: Topological and Combinatorial Aspects** (with Giovanni Gaiffi), in *Note di Matematica, Volume 46, issue 1 (2026)* (pp. 19–40), University of Salento

Talks

- 11/2025 **INTRICATO Bo-Pi-Rm**, University of Pisa
Title: *On the quasisymmetric chromatic function of interval graphs*

Teaching

- 2023 – 2024 **Tutor** for *Complementi di Matematica*, Scuola Normale Superiore

Professional experience

- 2021 – 2022 Revision of the Italian translation of *Disquisitiones Arithmeticae* of C. F. Gauss, edited by S. Graffi and C. Larese, published by Edizioni della Normale, Pisa
